Coronavirus (COVID-19) Patient Information

The Barnabas Center is working to ensure that any patients who have been exposed to the virus can be cared for safely and effectively.

Please do not come into the office if you are experiencing the following symptoms:

- fever
- cough
- shortness of breath

AND have the following RISK FACTORS:

- recent travel to an area of risk for Coronavirus or
- close contact with someone who has been exposed to the virus

Call us at 904-261-7000 and we will assist you in obtaining care.

Baptist Health and Emergency Services Group are offering an online evaluation by an emergency-trained, board-certified physician for a discounted fee of $25 per visit.

To help people in North Florida with flu-like symptoms know whether they should be tested for coronavirus 2019 (COVID-19), Baptist Health and Telescope Health are offering an online evaluation by an emergency-trained, board-certified physician for a discounted fee of $25 per visit. Enter the Coupon Code “HERE4YOU” on your payment page to activate.

You may set up online doctor visit by telehealth by visiting https://telescopehealth.com

**Online medical appointments can help avoid person-to-person contact, which will reduce the risk of spreading communicable diseases such as COVID-19**
