 CONNECTING PEOPLE,
 HELP AND HOPE

GET TO KNOW BARNABAS CENTER

Barnabas Center provides help and hope to individuals and families in need throughout Nassau County, FL to improve their stability, health and well-being. We are Nassau County's only comprehensive service center devoted to helping those in need thrive as healthy citizens. Barnabas Center believes every individual has an opportunity to lead a healthy and productive life, thereby strengthening our entire community.

HOW YOU INSPIRE HOPE

As a single adult working two jobs, Diane* struggled to make ends meet. This meant she often had to choose between paying rent or buying groceries. Fortunately, she discovered the Food for Healthy Living program at Barnabas Center, through which clients receive a box of fresh fruits, vegetables and proteins twice each week. The program isn't just about food; it empowers our clients. "These boxes help me plan out my grocery shopping for the week," Diane said. "I've also learned new recipes and made new friends along the way." Donors play a crucial role in providing our clients and patients with this holistic support, helping them embrace healthier lifestyles and rebuild their lives, one nutritious meal at a time.
