CELEBRATING BELIEVERS IN OUR YOUTH

Unsung Heroes Who Support Youth in Our Community

Why It Matters:

Research shows youth programs and activities enhance physical and mental health, support social skills and boost academic achievement. They provide opportunities for youth to explore their personal interests and find activities that are truly meaningful to them. Additionally, they offer an avenue to enhance their decision-making and problem-solving skills, which is not only helpful with their academics now, but also prepares them to take on leadership roles later in life.

What It Is:

The 2026 Hometown Heroes Fashion Show is a chance to honor the people who help kids become the best versions of themselves and position them for brighter futures. These are the coaches, tutors, teachers and neighbors in our community who are everyday heroes volunteering their time to improve young people's lives. This event – and the caring people it celebrates – perfectly aligns with Barnabas Center's work to help empower and strengthen the community at large.

How You Can Help:

Our 5th annual Hometown Heroes Fashion show is the ideal opportunity for local businesses and community leaders to celebrate these heroes and support Barnabas Center's essential programs through sponsorship. It's a great way to showcase your commitment to our vibrant community to current and prospective customers and feel good while doing so! There are sponsorship levels for every budget – so please join us in a win-win opportunity to honor unsung heroes while assisting neighbors in need.
