CONNECTING PEOPLE, HELP AND HOPE

## GET TO KNOW BARNABAS CENTER

Barnabas Center provides help and hope to individuals and families in need throughout Nassau County, FL to improve their stability, health and well-being. We are Nassau County's only comprehensive service center devoted to helping those in need thrive as healthy citizens. Barnabas Center believes every individual has an opportunity to lead a healthy and productive life, thereby strengthening our entire community.

## HOW YOU INSPIRE HOPE

Mary\* went through life in constant pain and discomfort. Her gallbladder issues made everyday tasks nearly impossible. But without insurance and limited resources, she couldn't seek help. That's when she turned to Barnabas Center for help. Through our partnership with Baptist Medical Center Nassau, we provided Mary with diagnostic imaging that confirmed she needed surgery. We covered a portion of the procedure, and the hospital covered the other half. The teamwork between our clinical partners and our donor community ensured she wasn't left to navigate this alone. Today, Mary is thriving without pain because of the donors who generously gave to our organization.
